GRAFFITI CONTEST

9am Nov. 5th till

5pm Nov. 7th

Manchester Plaza

Help us celebrate this anniversary of the end of oppression in East Germany by decorating a section of our “Berlin Wall” in response to the question, “**What walls hold you back?**” A panel of judges will choose three winners at 5pm on Friday, Nov. 7. Prizes will be Starbucks gift cards!

*Wall sections will measure 1 square foot; arrive early to reserve your space!

Then the **real** fun begins: we will be **destroying the wall with hammers and bats** right after the contest ends, at 5pm. Stop by and donate 1 non-perishable food item for Campus Kitchen and you get 1 whack at the wall. You will also be able to take a piece of the wall home with you as a reminder that together we are strong enough to bring down the walls that hold us back.
